

Want to raise your profile and learn how South East Europe's top companies approach customer experience?

Here's how to apply to judge at the South East Europe Customer Experience Awards 2020.

### Express Your Interest

Phone Filip Lampic on +44 20863 88015 or email [filip@awardsinternational.com](mailto:filip@awardsinternational.com) to provide an overview of your experience and find out more about the Awards.

### Awards International Review Your Application

Looking at your CV or LinkedIn profile, we will ensure you meet our high standards and find a category that suits you. This usually takes 24 hours.

### Confirm Your Place

For €249, you can sit on the judging panel and watch the Awards ceremony. Your profile and company logo will be displayed on our Meet The Judges webpage, and you will receive a promotional graphic to use on social media.

### Online Judging

For the first phase of judging, you will be allocated 5-9 entries to assess. You then have four weeks to review, score and comment on these entries using our online submission system.

### Live Online Judging

On 29th May 2020, you will conduct the second phase of judging by assessing a series of 30 minute presentations. You will have the opportunity to ask questions, then write your scores and provide written feedback immediately after each presentation, after which your scores will be counted immediately.

### Network and Connect

Take advantage of the videoconferencing platform to connect with other judges and finalists. Also, attend CXTrendTalks panel discussion and hear from other professionals.

### Spread the Word

Your profile can keep rising long after the Awards have finished! Use your Judge's Promo Card on your social media and submit content to the Customer Experience Magazine to establish yourself as a thought leader.
